

STATE of NEBRASKA
OFFICE OF THE GOVERNOR
LINCOLN

EXECUTIVE ORDER NO. 23-16

Establishing a Women's Bill of Rights

WHEREAS, males and females possess unique and immutable biological differences that manifest prior to birth and increase as they age and experience puberty;

WHEREAS, biological differences between the sexes mean that males are, on average, bigger, stronger, and faster than females;

WHEREAS, women have achieved inspirational and significant accomplishments in education, athletics, and employment;

WHEREAS, biological differences between the sexes are enduring and may, in some circumstances, warrant the creation of separate social, educational, athletic, or other spaces in order to ensure safety and/or to allow members of each sex to succeed and thrive; and

WHEREAS, inconsistencies in court rulings and policy initiatives with respect to the definitions of "sex," "male," "female," "man," and "woman" have led to endangerment of single-sex spaces and resources, thereby necessitating clarification of certain terms.

NOW, THEREFORE, I, Jim Pillen, Governor of the State of Nebraska, under and pursuant to the authority vested in the Governor by the Constitution and the laws of the State of Nebraska, do hereby order and direct the following:

1. In the promulgation of administrative rules, enforcement of administrative decisions, and the adjudication of disputes by administrative agencies, boards, and commissions, all state agencies, boards, and commissions when using the following terms shall, to the fullest extent permitted by law, define them as follows:
 - a. a person's "sex" is defined as his or her biological sex (either male or female) at birth;

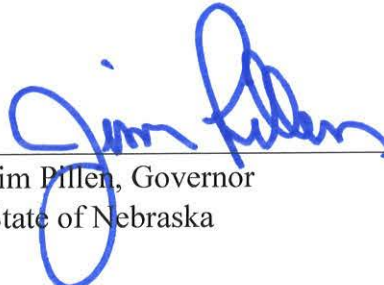

- b. a “female” is an individual whose biological reproductive system is developed to produce ova; a “male” is an individual whose biological reproductive system is developed to fertilize the ova of a female;
 - a. “woman” and “girl” refer to human females, and the terms “man” and “boy” refer to human males;
 - b. the word “mother” is defined as a parent of the female sex and “father” is defined as a parent of the male sex;
 2. There are legitimate reasons to distinguish between the sexes with respect to athletics, prisons or other detention facilities, domestic violence shelters, rape crisis centers, locker rooms, restrooms, and other areas where biology, safety, and/or privacy are implicated;
 3. Any public school or school district and any state agency, department, or office that collects vital statistics for the purpose of complying with antidiscrimination laws or for the purpose of gathering accurate public health, crime, economic, or other data shall identify each individual who is part of the collected data set as either male or female at birth.

This Executive Order shall become effective immediately and shall expire upon the effective date of state law governing participation of biological males in female athletics and prescribing environments where single-sex dedicated services and/or facilities should be provided.

IN WITNESS THEREOF, I hereunto set my hand and cause the Seal of the State of Nebraska to be affixed this 30th day of August, 2023.

Attest:

Jim Pillen, Governor
State of Nebraska

Robert Evnen, Secretary of State
