Nebraska
Mental Health, Substance Abuse and Gambling Services
Directory
July 2003

Ron Ross Director HHS
Ron Sorensen, Administrator OMHSAAS
(402) 479-5583
This directory is a service of the Nebraska Office of Mental Health, Substance Abuse and Addiction Services and lists the known providers of Mental Health, Substance Abuse and Gambling services as of July 2003. This directory lists the main office location of the agency and additional offices, satellite clinics or places where services are rendered on a scheduled basis.

Additions and corrections to the listings are encouraged and can be made by addressing a letter directly to the Office of Mental Health, Substance Abuse and Addiction Services, PO Box 98925, Lincoln NE 68509-8925, by calling (402) 479-5583, by FAX at (402) 479-5162, and by E-Mail to Bob.Bussard@hhss.state.ne.us.

The Directory is organized by Region, with Region 0 being those agencies having a statewide purpose or state agencies having their major purpose in behavioral health. In the context of this directory Behavioral Health are the three disciplines of Mental Health, Substance Abuse and Gambling Services. Agencies listed in this directory have their main purpose within one of these three disciplines. This directory does not attempt to list all individual practitioners of services. Individual practitioners can be found on the Nebraska Licensing Information System at: http://www.hhs.state.ne.us/lis/lisindex.htm. As of the printing of this directory Substance Abuse and Gambling counselor information is available through the Office of Mental Health, Substance Abuse and Addiction Services only.

Administratively Nebraska is made up of six Behavioral Health Regions. Each region is governed by a Regional Governing Board comprised of county elected officials, who together with the Office of Mental Health, Substance Abuse and Addiction Services, fund the Nebraska Behavioral Health System. Funds flow from Federal and State resources through the Office to the Regions. Regions in turn contract for service provision within their areas. The Regions are given in the Map below.
