Division of Behavioral Health Services Directory, April 2005

This directory is a service of the Division of Behavioral Health Services and lists the known providers of Behavioral Health Services as of April 2005. This directory lists the main office location of the agency and additional offices, satellite clinics or places were services are rendered on a scheduled basis.

Additions and corrections to the listings are encouraged and can be made by addressing a letter directly to the Division of Behavioral Health Services, PO Box 98925, Lincoln NE 68509-8925, By calling (402) 479-5583, By FAX at (402) 479-5162, and by E-Mail to Bob.Bussard@hhss.ne.gov.

The Directory is organized by Region, with Region 0 being those agencies having a statewide purpose or state agencies having their major purpose in behavioral health. In the context of this directory Behavioral Health are the three disciplines of Mental Health, Substance Abuse and Gambling Services. Agencies listed in this directory have their main purpose within one of these three disciplines. This directory does not attempt to list all individual practitioners of services. Individual practitioners can be found on the Nebraska Licensing Information System at: http://www.hhs.state.ne.us/lis/lisindex.htm. As of the printing of this directory Gambling counselor information is available through the Division of Behavioral Health Services only.

Administratively Nebraska is made up of six Behavioral Health Regions. Each region is governed by a Regional Governing Board comprised of county elected officials, who together with the Division of Behavioral Health Services, fund the Nebraska Behavioral Health System. Funds flow from Federal and State resources through the Division to the Regions. Regions in turn contract for service provision within their areas. The Regions are given in the Map below.
