Non-public information shall be released to any requesting party provided the employee has signed a release authorization, or an enforceable subpoena, or a court order, or legal warrant is served requesting such information. The agency shall notify an employee or, in the absence of the employee, the association, as soon as practicable upon receipt of a subpoena, order or warrant. In no event shall a subpoena be complied with by the agency unless the employee or his/her representative is first given an opportunity to object and require the requesting party's compliance with any applicable federal or state statute or rule regarding the information subpoenaed.

## **ARTICLE 8 - GRIEVANCE PROCEDURE**

8.1 A grievance is a claimed breach, misinterpretation, or misapplication of the terms of this Agreement.

8.2 A grievant is a member(s) of the unit covered by this Agreement or the Council.

8.3 A grievance which affects all agency bargaining unit members covered by SLEBC or the entire SLEBC bargaining unit may be initiated by the Council at Step 2 upon majority approval of the SLEBC Board of Directors. The grievant(s) shall present a formal written grievance to the appropriate Agency Head or his/her designee within fifteen (15) work days of the occurrence of the grieved action or from the day the grievant(s) should have known of the action. The grievance shall be presented on a mutually agreed upon form between the Council and the Employee Relations Division. A grievance filed at Step 2 shall contain a statement of the grievance by describing the issue involved, the date the incident or violation took place, if known, and the section or sections of the contract involved and the specific relief being sought.

8.4 A grievance relating to a dismissal shall be filed at the lowest level which has authority to reinstate the employee. The Agency shall notify the employee and Council at which step such authority lies.

8.5 Procedure

**Step 1** - Within fifteen (15) work days of the occurrence of the grieved action or from the day the grievant should have known of the action, the grievant shall present a formal written grievance to his/her immediate supervisor upon a mutually agreed upon form. A

grievance shall contain a statement of the grievance by describing the issue involved, the date the incident or violation took place, if known, and the section or sections of the contract involved and the specific relief being sought. The grievance shall state the name of the grievant/grievants authorizing the filing of the grievance and shall be signed by the employee. The immediate supervisor shall make a decision on the grievance and communicate same in writing within five (5) work days to the grievant and the Council. In termination cases or in any other cases where the parties mutually agree, the original grievance shall be filed at Step 2. If the immediate supervisor did not make the grieved decision, he/she shall note that fact on the form, sign it, and forward it to the person who made the decision within two workdays, skipping any levels of intermediate supervision. The person to whom the grievance is forwarded shall make a decision on the grievance and communicate the same in writing within five (5) work days to the grievant and the Council.

**Step 2** - In the event the grievance is not resolved at the first step, the grievance may be appealed to the appropriate Agency Head or his/her designee within ten (10) work days from the receipt of the answer in Step 1. The Agency Head or his/her designee shall file, in writing, an answer to the grievant within fifteen (15) work days of the receipt of the grievance. A copy of the answer shall be provided to the Council.

**Step 3** - If the grievance is not satisfactorily resolved at Step 2, the grievant, or representative, with the approval of the SLEBC Board of Directors, within fifteen (15) work days shall notify the Employee Relations Division Administrator, in writing, that he/she is appealing the grievance to arbitration.

Arbitrators shall be selected from lists developed and mutually agreed upon by the parties. If the parties cannot agree upon an arbitrator, they will request the Federal Mediation and Conciliation Service to submit a list of seven names to serve as arbitrator.

If the panel submitted by the FMCS is unacceptable to either party, the parties may request a second list of seven (7) names to select from. If the parties cannot mutually agree upon an arbitrator, both lists shall be combined and the parties will alternately strike names until one name remains. The remaining name shall be the arbitrator.

The arbitrator chosen to hear the grievance shall reside or maintain an office within 750 miles from Lincoln, Nebraska.

The arbitrator selected shall confer with the parties, hold a hearing, and issue a decision within thirty (30) days of the hearing. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact and reasoning. The arbitrator shall not amend, modify, nullify, or add to the provisions of the agreement. The decision of the arbitrator shall be submitted to the Agency and the Council. The decision issued by the arbitrator may be modified, vacated, reversed, or affirmed on application to the District Court in the county where the hearing was held if the decision was clearly erroneous or based upon error of law or is subject to being vacated or modified as otherwise provided in the Uniform Arbitration Act.

The costs of the services of the arbitrator shall be borne equally by the Agency and the Council. Any other expenses incurred shall be paid by the party incurring same.

- 8.6 Discovery Procedures. At any time after a formal, written grievance has been properly filed with an agency, the employee and/or the agency may obtain discovery regarding any matter, not privileged, which is relevant to the subject matter involved in the pending appeal by utilization of one or more the following methods: requests for depositions; requests for interrogatories; requests for production of documents or things; requests for permission to enter agency premises for purpose of inspection; requests for admissions. All discovery requests are subject to the following provisions:

Requests for discovery shall be addressed to the party from which the discovery is sought.

Discovery requests must be provided in writing within ten (10) work days of receipt of request, unless objections are entered. Objections to such requests may be made only to the hearing officer or arbitrator within five (5) work days of receipt of the request. The hearing officer or arbitrator shall affirm or deny such objections within ten (10) work days of receipt of the objections and shall establish time limits for response when objections are denied.

Within five (5) work days of receipt of the discovery requested, the requesting party shall notify the answering party of any failure on the part of the answering party to properly respond to the request.

Except where objections to discovery requests are sustained, the failure to respond to any discovery requests may result in the answering party being denied the right to introduce the requested evidence or such other remedy as is deemed appropriate.

Disputes concerning the discovery process shall be decided by the Employee Relations Division Administrator or where applicable by the hearing officer or other duly appointed person if so appointed at the time of the dispute. Such person shall have the authority to make rulings on objections to discovery by the parties, to issue subpoenas for testimony of witness or for the production of documents.

Disputes or objections concerning discovery or the discovery process shall be decided by reference to the Nebraska Supreme Court Discovery Rules, the Nebraska Rules of Evidence, and Nebraska Supreme Court case law.

## 8.7 General Provisions

An employee or their employee representative shall not use State Mail Services and equipment to file a grievance appeal.

The parties may agree to a meeting at any step of the grievance procedure.

Any time period established herein may be extended upon the mutual written agreement of both parties.

Failure of the employee/grievant to file a grievance or to appeal a decision within the time periods shall result in withdrawal of the grievance.

Failure of the agency to respond to a grievance within the established time periods shall result in the grievance being denied at that level and automatically moved to the next level.

An employee filing a grievance shall not be discriminated against, harassed, retaliated against or in any manner singled out by reason of exercising his/her right of filing a grievance under this contract.

Work days as referenced in the process shall refer to days on which the person responsible for processing the grievance is scheduled to be at work excluding days of approved sick leave, vacation, compensatory time off, or other approved absence.

The grievant shall have the right to be represented by a person of his/her choice at Step 1. The Council shall have the right to be present at any meeting above Step 1. Only 1 person may speak on behalf of the grievant at any grievance meeting.

No grievance shall be moved to Step 3-Arbitration, unless it is approved by a majority vote of the State Law Enforcement Bargaining Council Board of Directors. The State Law Enforcement Bargaining Council (SLEBC) Board of Directors shall provide written notice to the Employee Relations Division within 5 work days after the SLEBC Board of Directors has given approval to move a grievance to Step 3 – arbitration.

The parties may agree to a meeting at any step of the grievance procedure including requesting a mediator between Step 2 and Step 3 to attempt to resolve the grievance. Mediation shall be conducted by the Federal Mediation and Conciliation Service at no cost to the State. The parties shall agree to an extension of the Step 3 time lines from fifteen (15) to thirty (30) work days.

## **ARTICLE 9 - SENIORITY**

### **9.1 Calculating Seniority**

9.1.1 Seniority for bargaining unit members in Game & Parks and the Fire Marshal's Office shall commence upon the last date hired into positions covered by the SLEBC Contract in each agency. Copies of the new hire letter will be sent to the SLEBC Office.

9.1.2 A Carrier Enforcement Officer who was appointed to a State Patrol Trooper position, will retain his/her seniority from the date he/she became a sworn

Carrier Enforcement Officer provided, however, that if said date is earlier than July 1, 1985, it shall be adjusted to July 1, 1985.

9.1.3 The seniority for the State Patrol Trooper and State Patrol Investigation Officer, shall be the date he/she became a sworn officer. For Carrier Enforcement Officers who became Troopers see 9.1.2.

9.1.4 Officers currently classified as State Troopers who transitioned from the Carrier Enforcement Division to a State Trooper position between September 1, 1998 and July 19, 2002, shall receive credit for seniority lost during the transition to State Trooper, by being placed on the step in the State Trooper pay line which is equivalent to former recruit camp mates.

9.1.5 Carrier Enforcement Area Supervisor and Carrier Enforcement Specialist Supervisors who transitioned to State Patrol Sergeant classifications will retain their classification seniority for purposes identified in Section 9.6.1.

## 9.2 Seniority Upon Transfer

9.2.1 A bargaining unit member's classification seniority shall be retained upon transfer to another geographic area, division, or section. Classification seniority shall not be lost for any lateral transfer, voluntary or otherwise, subject to the provisions of Section 9.1.1.

## 9.3 Seniority Upon Promotion

A State Patrol Trooper or State Patrol Investigation Officer who is promoted to Sergeant on or after July 1, 1997, shall receive a seniority date for that classification from the last (most recent) date of promotion to a Sergeant.

## 9.4 Transfers Outside Bargaining Unit

9.4.1 Bargaining unit members who transfer to positions outside the bargaining unit in the same agency and transfer back into the bargaining unit within one year shall not lose the seniority they had accrued under this contract when they return to the bargaining unit.

## 9.5 Breaks In Services

9.5.1 An employee who has a break in service of one year or more who is rehired will not have his/her previous accrued seniority reinstated. An individual who is rehired within one year from his/her resignation shall be placed two steps lower on the salary schedule than he/she was on when he/she resigned and lose two years of classification seniority.

9.6 Uses of Seniority

9.6.1 Classification seniority shall be used in granting bargaining unit members preference in days off, shift preference, starting time, holiday leave, and annual leave. For the purposes of this Article, preference shall mean choice of available time off. All days off, annual leave, and holiday leave shall be as requested by the employee subject to adequate coverage which shall not be applied arbitrarily.

9.7 Ties in Seniority

9.7.1 When two unit members have the same classification seniority date, classification seniority shall be determined by a coin toss officiated by the Council. The coin toss shall use the commonly practiced "heads or tails" basis. The winner shall be considered the most senior unit member for the seniority determination at hand, and the first loser shall be the second most senior member for the seniority determination at hand.

When three or more unit members have the same classification seniority date, classification seniority shall be determined by name-drawing out of a hat and officiated by a member of the Council. The first name picked out of the hat shall be considered the most senior unit member for the seniority determination at hand, and the process shall be continued until seniority is determined for all relevant members.

9.8 Work Areas

9.8.1 For the purposes of this Article, work area shall be determined as follows:

All bargaining unit members who report directly to and are immediately supervised by a common person shall be considered to be in the same work area (e.g., all State Patrol Troopers who have the same supervisor shall be considered as in the same work area). For the purposes of the Field Services Division all Sergeants within the same Troop Area shall be understood to be within the same work area. For the purpose of the Carrier Enforcement Division this shall be by duty station in each district (e.g., Interstate Scales, Secondary Permanent Scales, Portables, CVE). Officers assigned to Traffic who work permanent shifts shall bid against officers who work in the same geographical work area.

9.9 Seniority Lists

9.9.1 The State and the Council shall jointly develop a bargaining unit member seniority list. On July 1<sup>st</sup> of each year the State shall submit a seniority list to the Council for verification of accuracy. The Council shall either agree with the contents of the list or identify discrepancies on the list and notify the AS-Employee Relations Division of such agreement or disagreement. Should discrepancies be identified by the Council, the parties shall meet as soon as practicable to resolve those discrepancies. The seniority list shall be finalized

no later than July 31<sup>st</sup>, of the same calendar year. Should the parties be unable to resolve discrepancies by July 31<sup>st</sup>, the State shall utilize the list they believe to be the most accurate.

9.10 Seniority Date – Lower Pay Line

9.10.1 A bargaining unit member in the State Patrol who is demoted or laid-off to a lower pay line classification shall have the seniority date he/she obtained prior to leaving that classification.

A bargaining unit member who is promoted to a position from which he/she was removed either voluntarily or involuntarily (for a period in excess of one year) shall have a new seniority date for the date of entry to that classification except a bargaining unit member who is subsequently recalled to a classification from which he/she was laid off shall retain the seniority date he/she held at the time of such layoff.

9.11 Filling Vacancies

9.11.1 If more than one candidate meets the minimum qualifications, seniority shall be the prime consideration in filling vacancies in field station positions or other duty stations for bargaining unit members; however, personnel with less than two (2) years experience in their position/duty station shall be ineligible for lateral transfer, unless the Superintendent or Division Administrator waives this restriction.

9.11.2 At the State Patrol, in order to give adequate notice of duty assignment to new trainees, seniority shall not be used to fill vacancies once a list of vacancies has been compiled for assignment from a training camp. However, it is agreed that there shall be two postings prior to the positions being filled by new trainees from camp. A vacancy created by a lateral transfer to a first posting is not subject to the aforementioned two postings.

## **ARTICLE 10 - HOURS OF WORK AND DAYS OFF**

10.1 Work Period

10.1.1 The work period for bargaining unit members shall be as follows for the term of this contract:

Game and Parks	160 hours/28 days
Fire Marshal Investigator	80 hours/14 days
Fire Marshal Inspector	40 hours/7 days
Patrol	80 hours/14 days

Such work periods may be changed during this contract with mutual agreement of the parties.

- 10.1.2 The work period of each bargaining unit member shall be documented, in writing, and maintained by the member's commander or supervisor.
- 10.1.3 The employer shall provide five work days written notice to affected employees prior to making changes to a bargaining unit member's beginning and ending times of the work period necessitated by assignment of days off per section 10.1.8.
- 10.1.4 Each bargaining unit member shall be assigned 2 days off during their work period if they are on a 7 day period, 4 days off during their work period if they are on a 14 day period and shall be assigned 8 days off during their work period if they are on a 28 day period. A bargaining unit member's days off may be temporarily changed to ensure adequate coverage is available in troop areas/districts, provided the bargaining unit member is given 7 calendar days notice. This notice can be less than 7 calendar days when an emergency exists. "Temporarily" shall mean the time necessary to deal with such an event.
- 10.1.5 In assigning days off, each Division, Section, and Troop Area Commander or District Supervisor shall utilize six (6) of the seven (7) calendar days each week as days off; except where the small size or operational needs of the unit dictates the use of fewer days off.
- 10.1.6 Days off for all bargaining unit members, except Fire Marshal's Office, shall be assigned as close as possible to the periods of August 1, 2017 through January 31, 2018; February 1, 2018 through July 31, 2018; August 1, 2018 through January 31, 2019; and February 1, 2019 through July 31, 2019.
- 10.1.7 **SHIFT BIDDING:** For the purposes of bidding shifts and days off for State Patrol Troopers assigned to the Traffic Services division, by June 1<sup>st</sup> of each calendar year, shift bidding lists will be posted by the Agency for bidding on the period starting August 1<sup>st</sup> and ending January 31<sup>st</sup>. The bidding list shall be posted 14 days prior to the bid. On 8 hour shifts the available days off will consist of either Sunday/Monday; Tuesday/Wednesday; or Friday/Saturday. When ten hour shifts are offered the available days off will consist of either Sunday/Monday/Tuesday or Thursday/Friday/Saturday. Starting with the most senior in the work area, an employee will have 3 hours to select their shift. The employee may make his or her bid by phone, e-mail, or by personal contact. Employees who fail to designate their shift will have their shift assigned by the Trooper Commander or his or her designee. The bidding list shall include a list of each combination of consecutive days off, and each available shift start time on each shift. The final list will be posted by July 15<sup>th</sup> and take effect August 1<sup>st</sup>.

For the purposes of bidding shifts and days off for State Patrol Troopers assigned to the Traffic Services division, by November 15<sup>th</sup> of each calendar year, shift bidding lists will be posted by the Agency for bidding on the period starting February 1<sup>st</sup> and ending July 31<sup>st</sup>. The bidding list shall be posted 14

days prior to the bid. On 8 hour shifts the available days off will consist of either Sunday/Monday; Tuesday/Wednesday; or Friday/Saturday. When 10 hour shifts are offered the available days off will consist of either Sunday/Monday/Tuesday or Thursday/Friday/Saturday. Starting with the most senior in the work area, an employee will have 3 hours to select their shift. The employee may make his or her bid by phone, e-mail, or by personal contact. Employees who fail to designate their shift will have their shift assigned by the Trooper Commander or his or her designee. The bidding list shall include a list of each combination of consecutive days off, and each available shift start time on each shift. The final list will be posted by January 15<sup>th</sup> and take effect February 1<sup>st</sup>.

The bidding list for State Patrol Sergeants shall include a list of consecutive days off available and a choice between early or late shift assigned as designated by the shift commander. Bidding by Sergeants shall take place May 1<sup>st</sup> and November 1<sup>st</sup> and shall be completed prior to shift bidding by State Patrol Troopers. For the purposes of the Field Services Division all Sergeants within the same Troop Area shall be understood to be within the same work area.

- 10.1.8 **DAYS OFF AFTER LATERAL TRANSFER:** At the State Patrol, if a bargaining unit member transfers to a different Division, Section, Troop Area, Sergeant Area, or District, he or she shall be assigned the available days off by the Troop Area, Sergeant Area, or District for the remainder of the current six (6) month period, regardless of his or her seniority as compared to the other officers assigned to the Division, Section, Troop Area, Sergeant Area, or District.
- 10.1.9 **DAYS OFF AFTER PROMOTIONAL TRANSFER:** If a bargaining unit member is promoted and transferred to a different Division, Section, Troop Area, Sergeant Area, or District, he or she will be assigned days off by the new commander or supervisor which best fit in with the prevailing work schedules and which do not require other officers to switch days off.
- 10.1.10 The normal work period for Fire Marshal Deputies is Monday through Friday during the State's normal business hours. This does not prohibit the Agency Director, Division, or District Supervisor from assigning a bargaining unit member or requiring a bargaining unit member to work a weekend or evening. These hours shall be scheduled in advance by the Director or supervisor and shall not be regularly scheduled shift assignments.
- 10.1.11 Each Trooper assigned to the Carrier Enforcement Division, shall be assigned one weekend per month, 30 days in advance, for each six month period. Adjustments to scheduling for this group may be made by mutual agreement between the Trooper and their supervisor.

## 10.2 Meal Period

10.2.1 A meal period, if taken, shall be considered as time worked, except at the Fire Marshal's Office, as all officers are considered as on duty from the beginning of their shift until they finish their shift. Meals taken shall be expeditious and only the amount of time reasonable and necessary to eat shall be used. Due to the constant variable and unpredictable nature of a bargaining unit member's day, no set time limit shall be established, except at the Fire Marshal's Office. However, the Council agrees that the State shall monitor officers' meal periods and shall ensure that meal periods are not abused by an individual. When bargaining unit employees are attending training, and/or have been assigned to light duty, meal periods will not be counted as work time. If a bargaining unit member is called to duty while attending training, the employee shall be paid at the appropriate rate of pay for the part of the meal period he/she is performing work. When bargaining unit members are attending training out of state and are not subject to call, meal periods will not be counted as work time.

## 10.3 Workday

10.3.1 Bargaining unit members may be temporarily reassigned. Volunteers for temporary reassignments shall be solicited in advance whenever possible. Seven (7) calendar days' notice shall be given to the affected member. Days off for the affected member shall be set in accordance with 10.1.8 unless mutually agreed upon by the affected member and the Employer. "Temporarily" shall mean the time necessary to deal with such an event. The Employer shall attempt to distribute reassignments in work areas so as not to put an undue burden on individual bargaining unit members by singling out individual members for all reassignments. If the seven (7) calendar day notice is not provided, the bargaining unit member shall work his/her normal shift and be compensated for the additional work. Nothing in this section shall preclude the officer from requesting that he/she be allowed to go off duty at the end of eight (8) hours worked or at the end of his/her regular work shift if the regular work shift is other than an eight hour shift, or to change his/her days off by mutual agreement with the supervisor. Bargaining unit members shall immediately notify the Agency when they become aware that their work requirement is not within their regularly scheduled starting and ending times, or on their normal days off. The notice provisions outlined above shall apply. At the Game and Parks Commission and the Fire Marshal's Office employees are not assigned to shifts. At the Fire Marshal's Office employees are expected to work the number of hours necessary on any particular day in order to get the job completed and will adjust their schedules for the remainder of the period accordingly. Employees of the Fire Marshal's Office shall notify the Agency immediately if they ascertain that it will be necessary to put in overtime hours during any pay period and shall be required to receive permission to work the overtime hours before working such hours.

## 10.4 Extra Duty Pay

### 10.4.1 Detached Duty Pay

The Employer and Council recognize that, at times, the work of bargaining unit members at the State Patrol requires them to be away from their city of residence for extended periods of time, and that such occurrences often create financial and psychological hardships upon the bargaining unit members and their families. Therefore, it is the intent of the Employer and the Council to work together to pursue available avenues to attempt to receive authorization to compensate bargaining unit members for detached duty which is not associated with in-service training, schools, seminars, or conferences.

### 10.4.2 Hazardous Duty Pay

The Employer and the Council recognize that bargaining unit members serving as Bomb Squad Officers, Hazardous Material Handlers, and S.W.A.T. Members are subject to substantially greater risks, and that the consequences of error inherent in such functions are significantly greater than those associated with the duties of other bargaining unit members.

## 10.5 Shift Designation/Patrol

### 10.5.1 Permanent Shifts

10.5.1.1 Troopers and Sergeants, in each Troop Area, assigned to road operations and Troopers assigned to permanent scales on Interstate 80 shall have an option of voting to implement permanent shifts prior to bidding for shift and days off. A simple majority of all eligible votes (eligible voters shall mean bargaining unit members who are affected by implementation of permanent shifts) will be necessary to implement permanent shifts. Where approved, permanent shifts shall be implemented the following first day of February or August 1st following such approval.

10.5.1.2 If the Troopers and Sergeants involved in the Troop area, or Carrier District, and Troopers assigned to road operations opt for permanent shifts, they shall bid their preference for shift and days off as provided for in Section 10.1.7. Bidding for shift and days off shall be on the basis of seniority as provided in Article 9 hereof. This section shall not apply to Troopers assigned to scales that are not on Interstate 80 and also shall not apply to Troopers assigned to portable scales.

10.5.1.3 At the end of each six-month cycle, bargaining unit members involved will rebid shifts and days off as set out in Section 10.5.1.2.

10.5.1.4 In troop areas where permanent shifts have been implemented in Road Operations, management shall have the right to assign Road

Operation Sergeants to supervise personnel within the geographic boundaries of the respective Troop Areas as needed for adequate supervisory coverage.

## 10.6 Compensatory Time

- 10.6.1 Bargaining unit members shall be allowed to accumulate up to 120 hours of compensatory time. Members who have accumulated 120 or fewer hours of compensatory time shall not be required to use compensatory time off by the Agency. However, members may request to utilize such compensatory time off at times of their own choosing. The Agency shall not unreasonably deny such requests.
- 10.6.2 Overtime hours earned over 120 hours, will be paid in cash, unless the overtime is earned while attending the recruit training program or in the event of a declared emergency as defined in Article 2. Overtime earned while attending the recruit training program or in the event of a declared emergency as defined in Article 2, will be taken as compensatory time within the next twelve months or will be paid out at the end of eighteen months from the date of graduation from recruit training program. The Employer retains the right to schedule the time off prior to the 18 month deadline if the Officer has not scheduled the time within one year of the date of graduation. Members with compensatory balances in excess shall submit a request to his or her supervisor indicating the date(s) on which he or she would prefer to utilize the excess compensatory time off. The supervisor shall not unreasonably deny the dates requested.
- 10.6.3 Compensatory time in excess of 120 hours shall be used in amounts of not less than one (1) hour at a time, unless specifically requested by the member and approved by the Agency.
- 10.6.4 Bargaining unit members have the right to request the use of compensatory time off within a reasonable period of time after making the request if the use of such time off does not unduly disrupt the operations of the Agency.
- 10.6.5 In the event that the employer is unable to pay cash for overtime hours in excess of 120 hours as stated in 10.6.2 due to a shortage in general funds budgeted for overtime compensation, bargaining unit members will earn compensatory time. Bargaining unit members shall be required to use the excess compensatory time within a six (6) month period from the date of the notice from the agency. Members with compensatory time balances in excess of 120 hours shall submit a request to his or her supervisor indicating the date(s) on which he or she would prefer to utilize the excess compensatory time off. The supervisor shall not unreasonably deny the dates requested.
- 10.6.6 Bargaining unit members, once notified of compensatory time balances in excess of 120 hours as stated in Section 10.6.5 who fail to schedule or refuse to schedule such excess time off, shall have time off scheduled by the agency on a date(s) determined by the Agency. Employees ordered to take compensatory

time off shall be provided at least 72 hours advance notice, unless a shorter notice is mutually agreed to. Nothing in this section shall prohibit a bargaining unit member from requesting to change scheduled compensatory time off, however the decision of the Agency shall be final.

- 10.7 Nothing in this article shall preclude the payment of compensatory time in the bargaining unit member's compensatory time bank in cash, by the Employer, at the Employer's discretion, with the agreement of the bargaining unit member.

Work on a holiday must be approved in advance, by the immediate supervisor, except in the event of an emergency. Such hours shall not count towards the calculation of overtime for the pay period. All hours worked on a holiday in excess of an employee's normally scheduled work day shall be compensated at two times the employee's normal hourly rate, in cash. When such holiday compensatory time is to be granted, it shall be taken at the request of the employee with the approval of the immediate supervisor. Bargaining unit employees will provide their immediate supervisor with at least 72 hours notice of their intent to use holiday compensatory time. All requests for the use of holiday compensatory time will be granted except where minimum staffing requirements prohibit the approval of such requests. Bargaining unit members, once notified of compensatory time balances in excess of 240 hours who fail to schedule or refuse to schedule such excess time off, may have time off scheduled by the agency on a date(s) determined by the Agency. Employees ordered to take compensatory time off shall be provided at least 72 hours advance notice, unless a shorter notice is mutually agreed to. At the Employer's discretion, employees who accumulate over 240 hours of holiday compensatory time will be paid the hours in excess of 240. At the employee's request, the Employer will provide the employee their holiday compensatory time account balance information. Holiday compensatory time is granted for the purpose of allowing bargaining unit members time off for working on a holiday. For further information on Work on a Holiday, see section 24.1.3.

## 11.2.1 Scheduling Vacation Leave

Vacation leave should be applied for in advance by the employee and may be used only when approved by the Agency Head and/or his/her Designee. Vacation leave may not be unreasonably denied or deferred so that the employee is deprived of vacation rights.

11.2.1.1 Annual leave requests shall be completed across all Sergeant areas / Districts/ Divisions once per year. Troop Area / Division Commanders shall refer employees under their command to Appendix G by January 1st of each calendar year. Employees shall complete their requests using Appendix G and shall turn in the completed form by January 15th of each calendar year. Troop Area / Division Commanders shall process annual leave requests and notify those under their command of approvals/disapprovals by January 31st of each calendar year.

11.2.1.2 Priority 1 annual leave requests shall consist of one leave request of at least seven (7) calendar days but no more than fifteen (15) calendar days. Priority 1 requests will be granted based upon seniority in the employees' work areas. Ties in seniority shall be broken according to the procedure set forth in Article 9.7 of this contract. Once granted, a priority 1 request cannot be revoked and is transferrable upon promotion, demotion, transfer (voluntary and involuntary), or change in shift pursuant to Article 10 of this contract. A Priority 1 request can be made into the next calendar year but no request shall be granted which exceeds the next calendar year.

11.2.1.3 Priority 2 annual leave requests shall be granted after all requests pursuant to 11.2.1.2 have been granted. Appendix G shall have 10 spaces available for Priority 2 annual leave requests. Priority 2 annual leave requests can be for any length of time as long as the hours in the employees leave bank(s) have or will have a sufficient balance. Starting with the most senior officer, the first two Priority 2 annual leave requests shall be granted. The next senior officer shall then be granted their highest two Priority 2 annual leave requests that are available, and so on until all bargaining unit members have had their first two Priority 2 annual leave requests considered. Ties in seniority shall be broken according to the procedure set forth in Article 9.7 of this contract. All remaining Priority 2 vacation requests shall be granted according to seniority. Once granted, Priority 2 annual leave requests cannot be revoked unless a declared emergency as defined in Article 2 of this contract is declared. Priority 2 annual leave requests are not transferrable upon promotion, demotion, transfer (voluntary and involuntary), or change in shift pursuant to Article 10 of this contract.

11.2.1.4 Vacation leave requests by a bargaining unit member during the progression of the current work period may be of any length of time. Vacation leave requests shall be approved or denied within 48 hours of receipt by the bargaining unit member's supervisor.

#### 11.2.2 Balancing of Vacation Leave

An employee's accumulated vacation time in excess of 280 hours shall be forfeited as of December 31st of each calendar year.

11.2.2.1 Conservation Officer's accumulated vacation time which is in excess of 280 hours shall be forfeited as of February 28, of the following calendar year. This balancing of accumulated vacation time does not include January and February earnings.

Employees who leave employment shall be paid for any unused accumulated vacation leave earned, calculated on their base hourly rate. Pay for the unused accumulated vacation leave shall be in a lump sum addition to the employee's last paycheck.

11.2.3.1 Other than set out as in Section 10.1.6, when an employee requests time off on vacation leave such approval or denial will be given in writing within at least 48 hours from the time the supervisor receives the request. This will be documented in writing to the employee.

### 11.3 Sick Leave

Full time employees shall earn 13.5 days (108 hours) of sick leave per calendar year.

11.3.1 The following conditions are valid reasons that sick leave may be used.

11.3.1.1 When an employee is unable to perform his/her duties because of sickness, disability, injury, or when an employee's presence at work jeopardizes the health of others by exposing them to a contagious disease. Pregnancy, post-natal recovery and miscarriage shall be considered temporary disabilities.

11.3.1.2 **When the illness, disability, or injury of an immediate family member demands the employee's presence. The immediate family shall be considered as: spouse, children, and parents (or persons bearing the same relationship to the spouse). At the agency head's discretion, the definition of immediate family may be broadened.**

11.3.1.3 When an employee pre-schedules medical, surgical, dental or optical examinations or treatment, or when the employee must seek emergency medical treatment as set out in Section 11.3.1.2. A

reasonable attempt must be made to schedule such appointment during non-work times.

- 11.3.1.4 The employer agrees that absence due to treatment related to alcoholism or drug abuse, if medically diagnosed by a licensed health care provider, shall constitute legitimate sickness.

#### 11.3.2 Request for Sick Leave

Sick leave shall be requested in advance when possible. The employee will make contact with his/her shift supervisor, to report his/her illness, at least two hours prior to the start of a shift. It is understood that there will be times when this notice is not possible because of sudden illness, but the intent is to allow adequate notice for shift coverage. In the case of illness, injury, emergency or any other absence not approved in advance, the employee should inform the first level of supervision of the circumstances as soon as possible. An employee may be required to submit substantiating evidence when the reason for the leave request was a medical or dental appointment or when the Agency Head and/or his/her Designee suspects sick leave abuse. Substantiating evidence may be required if the sick leave absence exceeds three consecutive workdays.

- 11.3.3 There shall be no maximum limit on accumulation of sick days.

- 11.3.4 All sick leave shall be forfeited upon separation from employment, except that an employee who retires or dies shall be paid for one quarter of his/her accumulated sick leave not to exceed 50 days.

- 11.3.5 Employees returning to work after a break in service of less than one calendar year shall have their accumulated unused sick leave balance reinstated. Service date shall be adjusted for the period of absence. Employees returning to work after a break in service of more than one calendar year shall start with a zero sick leave balance and shall be considered to be new employees for service date purposes.

#### 11.4 Funeral Leave

Up to 40 hours of funeral leave may be granted to employees for death in the immediate family. For purposes of this section, immediate family shall mean spouse, father, mother, grandfather, grandmother, sister, brother, child, grandchild, spouse of any of these, or someone who bears a similar relationship to the spouse of the employee. Step-persons bearing these relationships are included. At the Agency Head and/or his/her Designee's discretion, the definition of immediate family may be expanded to include other individuals with a similar personal relationship to the employee as that of an immediate family member.

## 11.5 Injury on Duty

- 11.5.1 When a bargaining unit member is injured on duty and a bargaining unit member is able to perform light duty, the Agency shall make every reasonable effort to place said bargaining unit member in an assignment of light duty so as to not cause him/her to expend his/her sick leave account. The Agency may require the bargaining unit member to provide a Physician's Certificate regarding his fitness to return to his or her regular duty assignment at anytime.
- 11.5.2 Any disablement contracted in the course of employment shall be reported to the proper Agency authority as soon as possible. The Employer shall report all necessary information to the State's Worker's compensation authority.
- 11.5.3 All employees who are disabled as a result of a job-related injury or disease may be granted injury leave not to exceed a maximum of forty hours for any particular injury. A workday is counted even if an employee is absent for any portion of their assigned shift. Disabled shall mean unable to perform the tasks usually encountered in one's employment due either to an injury/disease or to treatment for an injury/disease.
- 11.5.3.1 Any job-related injury or disease shall be reported to the proper agency authority as soon as possible and the agency shall have the responsibility to supply all the necessary information to the Office of Risk Management.
- 11.5.3.2 No employee shall receive a salary (workers' compensation plus regular pay) in excess of his or her normal wage.

## 11.6 Military Leave

Military leave shall be granted in accordance with applicable federal and state laws, and is limited to 120 hours a year for drill, summer camp, deployment, training or other military orders, with no accumulation of unused leave carried over to the following calendar year. Such military leave may be taken in hourly increments. Employees who are members of the National Guard or Reserve shall provide their Unit Training Assembly (drill) schedule to their supervisor as soon as it is available from the Military Unit. Where practicable, the Agency shall allow the employee to flex his/her work schedule to accommodate Unit Training Assembly (drill) schedules.

## 11.7 Civil Leave: All employees shall be eligible for paid civil leave under the following conditions:

- 11.7.1 Jury Duty: If an employee is called to serve as a juror, he/she shall be entitled to paid civil leave. Employees will return to work when not actually serving as a juror on a daily basis.

- 11.7.2 Election Board Duty: If an employee is appointed as a clerk or judge on an election or counting board, he/she shall be entitled to paid civil leave. (For further information on Election Board Duty, see section 24.1.)
- 11.7.3 Voting Time: All employees shall be allowed up to two paid hours for the purpose of voting provided the employee does not have sufficient time before or after regular duty hours to vote. The two hours authorized for voting does not apply to those employees who by reasons of their employment must vote by use of an absentee ballot.
- 11.7.4 Court Appearances: Time spent by employees appearing in court as a function of their job shall be considered as hours worked. If witness fees and reimbursements received as a result of these court appearances they shall be returned to the State.
- 11.7.5 Employees attending courts as a plaintiff, defendant or witness on non-work related matters, may use vacation leave or earned compensatory time. In the event the employee is subpoenaed for non-work related matters and does not have vacation leave or compensatory time the Agency Head and/or his/her Designee shall grant a leave of absence. Any witness fees paid to the employee for these court appearances shall be kept by the employee.

## 11.8 Leave of Absence

- 11.8.1 An Agency Head and/or his/her Designee may grant employees an unpaid leave of absence, not to exceed one year (except for military service and some worker's compensation cases), when such absences will not interfere with the best interest of the state. Under unusual circumstances this time may be extended by the Agency Head and/or his/her Designee. Written requests for leaves of absence will be considered for such things as temporary disabilities (i.e. leave for maternity, paternity), educational purposes, newly adopted children or other uses. Medical leaves of absence shall not exceed six weeks unless approved by a physician. The leave of absence when granted, shall be in writing and detail the employment conditions that will be in effect at the end of the absence.
- 11.8.2 During the leave of absence, the temporarily vacated position may be filled by either employing a temporary employee or assigning another qualified employee to assume the duties of the position.
- 11.8.3 No benefits will accrue during a leave of absence.
- 11.8.4 Sick and vacation leave earned but unused prior to leave of absence will be carried forward upon the employee's return.
- 11.8.5 The employee's service date shall be adjusted for non-pay absences in excess of thirty calendar days, except when an employee is still eligible for worker's compensation payments.

11.9 Leave for Part-Time Employees: All types of leave are granted in proportional amounts for part-time employees.

11.10 Family and Medical Leave

11.10.1 Family and Medical Leave is unpaid time off from work. An employee must have at least twelve total months of service and at least 1,250 hours of service in the previous twelve month period to be eligible for Family and Medical Leave. Temporary employment with the State of Nebraska counts toward an employee's eligibility. An employee can use paid vacation, accumulated compensatory time, or sick leave (if the condition for using sick leave meets the sick leave criteria outlined in Section 11.3.1.1 through 11.3.1.4) as part of their 12 weeks of Family and Medical Leave if the employee should so choose.

11.10.2 Conditions for Using Family and Medical Leave.

Unpaid Family and Medical Leave may be used for the following reasons:

- a. Because of the birth of a child of the employee.
- b. Because of the adoption or placement of a foster care child with the employee.
- c. In order to care for the serious health condition of the employee's spouse, child, or parent.
- d. Because of the serious health condition of the employee.
- e. Because of any qualifying exigency (as defined by the Secretary of Labor) arising out of the fact that the spouse, or a son, daughter or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.
- f. Because the employee who is the spouse, the son, daughter, parent, or next of kin of a covered service member shall be entitled to a total of 26 workweeks of leave during a 12 month period to care for the service member. The leave described in this subsection f. shall only be available during a single 12 month period.

NOTE: Spouse does not include unmarried domestic partners. Child may include step-children, foster children, or certain other children having more than a short-term residence in the employee's home such as legal wards of the employee. Care for mother-in-law or father-in-law is not included. However, parent may include individuals other than natural or adoptive parents who served in a long-term parental role for the employee.

NOTE: Serious health conditions are defined as illness, injury, impairment, or physical or mental conditions that involve: (1) in-patient care, (2) absence from work, school or other regular daily activities for more than three calendar days and continuing treatment by a health care provider, or (3) continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days, or prenatal care. Examples of serious health conditions include: heart attack, heart by-pass or valve operations, most cancers, back conditions requiring extensive therapy or surgery, strokes, severe respiratory conditions, spinal conditions, appendicitis, pneumonia, emphysema, severe arthritis, severe nervous disorders, need for prenatal care, severe morning sickness, childbirth, and recovery from childbirth. This does not include voluntary or cosmetic treatments, unless inpatient hospitalization is required.

11.10.3 Certification of Serious Health Conditions. When requesting Family and Medical Leave for serious health conditions, an employee must provide certification from a health care provider which includes:

- (1) the date on which the serious health condition commenced;
- (2) the probable duration of the condition;
- (3) any appropriate medical facts;
- (4) a statement containing specific information why the employee is needed to care for the child, spouse, or parent, or; a statement containing specific information why the employee is unable to perform the functions of the job;
- (5) if the leave is to be intermittent, a statement containing specific information concerning planned medical treatments, the expected dates and duration of treatment.

11.10.3.a. Medical Second Opinions. The Agency may require a second opinion (the Agency's choice of health care provider) and must pay for the cost of the second opinion. If the second opinion differs from the first, a third opinion may be sought (from a mutually agreed upon health care provider, again, at the Agency's expense). The results of the third opinion are final.

11.10.4 Notice of Intent to Use Family and Medical Leave. A minimum of 30 days notice to the Agency must be provided by the employee before he or she may use Family and Medical Leave. Where 30 days notice is not foreseeable, notice must be given as early as possible.

11.10.5 Family and Medical Leave Duration. Unpaid Family and Medical Leave is limited to a total of twelve weeks within a twelve month period, starting with

the date the employee first uses unpaid Family and Medical Leave, except that the leave under Section 11.10.2.f may be 26 weeks during a single 12-month period, but the leave provided under 11.10.2.e and 11.10.2.f cannot exceed a combined total of 26 weeks during a 12 month period.

- 11.10.6 Family and Medical Leave Not Cumulative. Family and Medical Leave cannot be carried forward beyond the twelve month period and banked for future use.
- 11.10.7 Incremental Use of Family and Medical Leave. With approval of the agency, Family and Medical Leave may be taken in increments with proper medical certification (federal law allows employees not eligible for overtime, "exempt employees", to make incremental use of unpaid Family and Medical Leave without affecting their "salaried" status).
- 11.10.8 Health Insurance while on Family and Medical Leave. Employer health insurance contributions shall continue during an employee's unpaid Family and Medical Leave absence, provided the employee makes his/her required contribution. Employer contributions shall be based as if the employee had continued to work his/her normal schedule.
- 11.10.9 Service Date Adjustments. The employee's Service Date shall be adjusted when an unpaid absence due to Family and Medical Leave exceeds 30 consecutive calendar days.
- 11.10.10 Family and Medical Leave Denials. DAS Employee Relations Division shall be notified by the Agency of any requests for Family and Medical Leave which are denied.

#### 11.11 Catastrophic Illness Donation

- 11.11.1 Conditions for Contributing Vacation Leave or Compensatory Time. The provisions of this section are nongrievable. Employees may contribute accrued vacation leave or compensatory time to benefit another State employee in the same agency suffering from a catastrophic illness. Catastrophic condition is considered a life threatening medical condition or an injury or illness that causes the employee to suffer a substantial temporary disability.

Vacation/compensatory leave shall be donated in no less than four (4) hour increments. The contributing employee must identify the specific amount of time donated and the name of the recipient for the donated vacation/compensatory leave on forms provided by the Employer for this purpose. Vacation/compensatory leave donated and transferred to another State employee pursuant to this provision shall be irrevocably credited to the recipient's catastrophic illness account. The recipient cannot use the donated leave until the date the leave is actually donated. The agency shall transfer donated leave to the recipient's account on an as needed basis. However, the agency shall not transfer more than the equivalent of 30 of the recipient's workdays of leave into his/her account at any one time.

11.11.2 Conversion of Leave. Leave for catastrophic illness will be available only to employees who have exhausted their own paid leave and compensatory time/leave through bona fide serious illness or accident. Donating employees must sign an authorization, including specifying the specific employee to be a recipient of the donation. Leave transferred will be converted to a dollar value and then converted to hours based on the recipient's hourly rate e.g., the leave donor's salary is \$6.00 per hour and the recipient's salary is \$12.00 per hour; thus a donor must transfer twice the amount of hours to achieve full conversion. The agency shall not transfer more than the equivalent of 30 of the recipient's workdays of leave into his/her account at any one time. The agency shall not transfer more donations until this amount is exhausted. All donations remaining in the employee's catastrophic illness account when the employee's employment terminates, or when the employee dies, shall be forfeited, and no payout for these forfeited hours shall be made. No more than 1,200 hours of donated leave may be received by an employee during a twelve month period.

11.11.3 Eligibility of Recipient. The Recipient must meet all of the conditions listed below:

- a. Must be suffering a serious illness or injury resulting in a prolonged absence of at least thirty work days during the past six months.
- b. Must produce satisfactory medical verification.
- c. Must have completed original probation.
- d. Must have exhausted all earned paid leave time including compensatory time off, sick leave, and vacation leave.
- e. Must not have offered anything of value in exchange for the donation.
- f. Has not received catastrophic leave donations for serious illness or injury in the past 2 years.

11.11.4 Eligibility of Donor Employee. The donor employee must meet all of the conditions listed below:

- a. Only four (4) hour increments of vacation/compensatory leave may be donated.
- b. Must not have solicited nor accepted anything of value in exchange for the donation.
- c. Must have remaining to his/her credit at least 40 hours of accrued vacation leave, after donating vacation leave.

11.12 Adoption Leave: Upon request, the mother of newly adopted children, meeting the requirements of Neb. Rev. Stat. Sec. 48-234, shall receive the same sick leave allowed to State employees who are new mothers by natural birth (generally six weeks) when adopting a child. Fathers of newly adopted children, meeting the requirements of Neb. Rev. Stat. Sec. 48-234, should receive leave on the same terms as fathers by natural birth.

## **ARTICLE 18 - LAYOFFS-RECALL-REINSTATEMENT**

18.1 Layoff shall be defined as elimination of a position or reduction in hours. Such layoffs shall be the result of economic reasons, reduction in workload or reorganization of an agency.

18.1.1 At least five (5) work days prior to announcing a layoff the Agency shall meet with and discuss the impending layoff with the Council. The Agency Head shall determine when and where layoffs are necessary and which classifications shall be affected.

Prior to initiating a layoff the agency shall make an announcement that a layoff is imminent. Retirements and/or resignations could eliminate or reduce the impact of anticipated layoffs. The Agency shall afford employees the opportunity to retire or resign prior to the layoff in hopes that such voluntary separations will eliminate or reduce the impact of anticipated layoffs.

### 18.4 Notification of Layoff

A bargaining unit member to be laid off shall be notified, in writing, at least fifteen (15) work days prior to the effective date of layoff, except that when emergency funding situations exist, this notification period can be shortened. The notification shall include:

### 18.6 Layoff shall be by reverse seniority in the affected class groupings (last in first out). Seniority for layoff purposes is defined in Article 9. Bargaining unit members with the least seniority in the affected positions and work location to be reduced shall receive reduction in force notifications prior to more senior members in the same classification and work location.

### 18.7 A bargaining unit member who is laid off as a Game and Parks Conservation Officer or Fire Marshal Deputy, shall have the following options: (1) fill any vacancy in their classification within their agency; (2) bump a bargaining unit member in the same class grouping with the least seniority agency wide; or (3) accept layoff.

18.9 A unit member shall have a minimum of seven (7) work days from receipt of the written layoff notification to exercise his/her rights or accept layoff. Such notice shall be in writing to the Agency head. Failure to respond within the seven (7) work day limit shall be acceptance of layoff.

18.10 Reduction of Pay

A bargaining unit member who elects to bump to a position in a lower pay line shall be placed on the appropriate step of that pay line which corresponds with his/her classification seniority.

18.11 Reinstatement and Recall

18.12 A bargaining unit member laid off shall be recalled in the reverse order in which he/she was laid off. The most senior laid off employee shall have the first right of refusal of vacant positions. Such rights shall be for a period of twenty four (24) months from the effective date of layoff provided the bargaining unit member meets the minimum standards for the position which existed at the time of the layoff.

18.13 A laid off unit member refusing recall to a position and location from which he/she was laid off shall forfeit all future rights of recall.

18.14 A bargaining unit member recalled to his/her former position shall be placed on the pay line which corresponds to his/her classification seniority. The unit member shall notify the agency in writing of the acceptance or refusal of the position within ten (10) calendar days.

Employees moving as a result of bumping another bargaining unit member shall not receive payment of moving expenses.

18.19 Ties in Seniority

When two or more unit members have the same classification seniority date, seniority shall be determined by a coin toss officiated by the Council. The coin toss shall use the commonly practiced "heads or tails" basis. The winner shall be considered the most senior unit member for the seniority determination at hand, and the first loser shall be the second most senior member for the seniority determination at hand.

When three or more unit members have the same classification seniority date, classification seniority shall be determined by name-drawing out of a hat and officiated by a member of the Council. The first name picked out of the hat shall be considered the most senior unit member for the seniority determination at hand, and the process shall be continued until seniority is determined for all relevant members.

Any such pay increase will begin on the sixteenth day, shall be retroactive to the date of the temporary transfer and shall end when the employee reverts to his/her previous classification. Such assignments shall be in writing. - A. policies and procedures of the agency,
- B. this agreement.

- 29.1.3 At the State Patrol, the parties recognize that poor work performance and/or incompetence is not misconduct, but rather the result of an employee's inability to perform the duties assigned to the position in a competent manner. As such, the Agency shall not conduct an Internal Affairs Investigation, nor shall the procedures set forth in this Article be followed in cases involving unsatisfactory work performance. The procedures regarding Performance Improvement Plans as set forth in Personnel SOP 20-1, 35-02, Section F shall be used to correct poor work performance with actions up to and including termination. - 29.2.2 All complaints alleging misconduct of less than serious nature which are received more than ninety (90) days after the alleged incident took place, shall not result in discipline to the officer.
- 29.2.3 The parties agree that the progressive discipline techniques should be the primary focus when considering the level of discipline to be used. The use of progressive discipline shall take into consideration the nature, related disciplinary history and severity of the infraction when considering the level of discipline to be suggested or imposed. The goal of progressive discipline is to apply the minimum level of discipline which will bring the employee's performance to the expected level.

29.2.4 **Written Warning** is the lowest level of the discipline process and may be imposed at the Superintendent's discretion. A maximum discipline of written warning may be used for minor unit accidents that are the fault of the bargaining unit member, if they are without injuries, or involve de minimus third party damage, or caused unit damage not exceeding \$5,000.   - c. Suspend the employee from work with pay until the investigation is completed. The status of an employee suspended with pay may subsequently be changed to a reassignment under Section 29.5.4(a) or a suspension without pay subject to the twenty (20) work day limitation in 29.5.4(b) if the investigation circumstances warrants such a change in status.

## APPENDIX C - MOVING EXPENSES

Employees who are relocated to another geographical location for the benefit of the employing agency shall be reimbursed for moving expenses. Employees relocating to another geographical area at their own request, for their personal benefit need not be reimbursed for expenses incurred.

Whether or not a relocation is for the benefit of the employing agency shall be determined on an individual basis by the agency head. The decision of the agency head is a non-grievable issue. Promotions may be considered as a benefit to the employing agency.

Payment of moving expenses shall be made only with the prior written approval of the agency head. The written agreement shall include a listing of the items that will be reimbursed.

- a. **New Employee** - The state may reimburse a newly appointed employee, excluding temporary employees, for moving expenses or a portion of these expenses, at the agency head's discretion, provided the employee agrees in writing to remain in the employment of the State for a period of one year.
- b. **Resignation** - If an employee, whose moving expenses (all or part) have been paid, resigns within 1 year of the move, the agency head may require the employee to reimburse the agency for a portion of the moving expenses, based on the length of time the employee worked for the agency after the move.
- c. **Personnel Record** – Agencies should reimburse the employee using an employee Expense Reimbursement Document. Then the agency's Payroll staff should do a one-time override using DBA code 5700 for qualified (non-taxable) expenses and/or DBA code 5800 for non-qualified (taxable) expenses. Using these DBA codes does not create additional pay for the employee, but correctly records these amounts for inclusion on the employee's W-2. A memo(s) signed by both the agency and the employee, agreeing to the amount of moving expenses to be paid and the portion of which is taxable, shall be placed in the employee's personnel file.
- d. **Receipts** - Original receipts are required in order to be reimbursed; including closing statement and invoices from vendors.
- e. **Eligibility For Reimbursement** - The employee's new job location must be 50 miles farther from the employee's old residence than the old residence was from the old job location. If deemed necessary, the agency head may make a request to the Director of Administrative Services for a waiver of this requirement. If this waiver is granted, all related moving expenses will be taxable. In order to be reimbursed for any expenses under this policy, the expenses must be incurred by the employee no later than one year from the date the employee is officially transferred to the new duty station.
- f. **Taxability of Reimbursement** - Certain reimbursements for Qualified moving expenses are excluded from income as Qualified fringe benefits under IRS Section 217. Non-Qualified reimbursed expenses are wages subject to withholding and payroll taxes. Expenses listed under g. (below) have been classified as Qualified moving expenses (not

reportable) or as Non-Qualified (reportable and subject to withholding) expenses. Although Qualified moving expenses that are reimbursed to the employee are not reportable as income on the employee's W-2, they must be reported in box 12 on the employee's W-2. Qualified moving expenses paid directly to a third party (mover) no longer need to be reported on the employee's W-2.

**g. Expenses Qualifying for Reimbursement -**

**1) Qualified Moving Expenses (not reportable as taxable wages)**

**a) Transportation of Household and Personal Goods.**

- i)** Actual, reasonable costs shall be reimbursed for the costs of a commercial mover (including packing and transit insurance). The payment for the type of items moved will be at the agency head's discretion.
- ii)** Actual, reasonable costs may be paid for a self-move at the agency head's discretion including rental of personal property (van, trailers, two-wheel carts, etc.).
- iii)** The State will reimburse the employee for actual reasonable costs of moving a house trailer or mobile dwelling if it is the employee's principle place of residence and if the cost of moving the house trailer/mobile dwelling is no more than the cost associated with having commercial movers pack and transport household goods. If the cost of moving the house trailer/mobile dwelling is more than the cost associated with having commercial movers pack and transport household goods, the employee will be reimbursed only the amount that would normally be paid for transporting household goods. In order to receive reimbursement, the employee shall provide documentation of these costs. If the State has reimbursed the employee for moving the house trailer/mobile dwelling, the State will not pay any additional cost for moving household goods or for storage of household goods.

**NOTE:** When a commercial carrier is to be used in g.1.a above, the employee is to obtain firm bids from a minimum of two (2) commercial carriers. Acceptance of a bid will be at the agency head's discretion. Charges incurred for obtaining bids are reimbursable.

- b) Travel to the New Location.** Transportation costs (by the most direct route) and reasonable lodging (excluding meals) as approved by the agency head shall be reimbursed for the employee and all family members living with the employee at the time of the move. Transportation costs will be reimbursed at the rate established by the Internal Revenue Service through its Revenue Procedures.
- c)** Costs to disconnect and reconnect utilities.
- d)** Costs of shipping your car and your household pets to your new home.

- e) Costs of storing and insuring household goods and personal effects within any period of 30 consecutive days after the day your things are moved from your former home and before they are delivered to your new home.

2) **Non-Qualified Moving Expenses (*reportable and subject to withholding*).**

**NOTE:** At the agency head's discretion, reimbursement may be made for reasonable taxable expenses as listed below.

- a) **Travel to the New Location.** Meal expenses may be reimbursed for the employee and all family members living with the employee at the time of the move.
- b) **Pre-move House Hunting Trips.** Transportation costs established by the Internal Revenue Service through its Revenue Procedures, reasonable lodging and meal expenses may be reimbursed for the employee and spouse for a maximum of two pre-move house hunting trips.
- c) **Temporary Lodging.** Reasonable expenses of occupying temporary lodging (excluding meals) in the new job location may be reimbursed for up to 30 consecutive calendar days or until permanent lodging is established, whichever is earlier. Under special circumstances, the 30 consecutive calendar days may be waived. Agencies should submit a written request to the State Accounting Administrator explaining the reason for the waiver.

**NOTE:** The mileage reimbursement rate established by the Internal Revenue Service through its Revenue Procedures is effective for all employees not covered under a collective bargaining agreement, or in which the bargaining agreement does not specify a mileage rate.

- d) Cost of storing and insuring household goods and personal effects over 30 days after the day your things are moved from your former home and before they are delivered to your new home.
- e) **Miscellaneous Expenses of Principle Residence Sale/purchase.** Usual and customary expenses may be reimbursed, which may include:
  - i) Actual realtor's commission for the sale of the employee's principle residence in the old job location
  - ii) Recording Fees
  - iii) Title/Abstract Fees
  - iv) Documentary Stamp Tax
  - v) Appraisal Fee
  - vi) Credit Bureau Fee

## LETTER OF AGREEMENT

THIS LETTER OF AGREEMENT is made and entered between the State Law Enforcement Bargaining Council (SLEBC) and the State of Nebraska (State) to amend the 2017-2019 Labor Agreement agreed upon by the parties.

The parties agree to strike section 21.7 and replace it with the following provision that more clearly represents the original intent of the parties:

21.7 Any employee of the Nebraska State Patrol who is permanently assigned to full 8 or 10 hour shifts beginning at or after 3:00 p.m. shall be compensated shift differential pay of \$.85 per hour in addition to their regular hourly rate. When the employee is no longer permanently assigned to that shift, they shall no longer receive shift differential.

This provision will be in effect from July 1, 2017 through June 30, 2019.
