This publication is a listing of new state publications received by the Nebraska Publications Clearinghouse, a service of the Nebraska Library Commission, in 2021. It is a cumulation of the state publications listed in *What's Up Doc?*, the Clearinghouse's blog. They are arranged in two separate lists: by broad subject categories and alphabetically by title. All of the publications listed here are available for loan from the Library Commission by calling 1-800-307-2665 and asking for the Reference desk (outside Nebraska and in Lincoln call 402-471-4016). Users wishing to obtain their own copies must request them directly from the issuing agency.

The majority of items have been cataloged and the OCLC number listed. They can be searched in the Library Commission's Online catalog at:
