Nebraska Historical Populations

Quick Reference Tables

- Annual U.S. and Nebraska Population Estimates since 1900
- Annual State Components of Population Change since 1920
- State Sex by 5-Year Age Group Populations: 1900 to 2010
- County Population Counts and Ranking Tables: 1860 to 2010
- County Year of Highest Census and Comparison to 2010 Population
- Place Population Counts since 1860 and Percent Change 2000 to 2010

Prepared by:
David Drozd, Jerry Deichert
Center for Public Affairs Research
University of Nebraska at Omaha
6001 Dodge Street
Omaha, NE 68182

January 2018

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, disability, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment.

[1] The state counts are final resident counts. In December 2010, the Census Bureau released Nebraska's reapportionment count at 1,831,825. This number includes persons who are U.S. military or federal employees and their dependents stationed overseas and who listed Nebraska as their home state.

[2] The 1990 population totals for Nebraska as well as Howard, Knox, Merrick, and Polk Counties are corrected counts. The Census Bureau issued corrected population counts for these areas after the original 1990 counts and associated data products were published. Other detailed population tabulations were not revised to reflect the corrections, so the final counts reported here will differ slightly from the population totals in other tabulations.

[3] The state total is more than the sum of the counties because several areas never had a legal existence and were dropped or reorganized in subsequent years.

[4] The 2000 Census figure for Red Willow County was corrected, resulting in an increase of 2 people. The 2000 population counts listed do not reflect a change in the boundary between Platte and Butler Counties which took effect Jan. 1, 2001. This boundary change would effect the Census figures as follows: Butler gains 96 people while Platte loses 96. The 2010 Census counts reflect the Platte and Butler County boundary change.

[5] The 1890 Nebraska population count includes population (3,746 persons) of Indian reservations specially enumerated, not distributed to specific counties. Thus, the population sum of the counties only equals 1,058,910. The population of old Arthur County (91) was annexed to McPherson County between 1890 and 1900.

Table 4a: Ranking of Nebraska County Populations: 1860 to 2010

CDP refers to Census Designated Place

[1] The 1990 population totals for Beatrice, Bellevue, Cedar Rapids, Dixon, Elba, Falls City, Grand Island, Gross, Hartington, Herman, Lexington, Malcolm, Marquette, Niobrara, Omaha, Palmer, Papillion, Plattsmouth, Ponca, Rockville, Scottsbluff, Seward, Silver Creek, Thurston, Wakefield, and York are corrected counts. The Census Bureau issued corrected population counts for these areas after the original 1990 counts and associated data products were published. Other detailed population tabulations were not revised to reflect the corrections, so the final counts reported here will differ slightly from the population totals in other tabulations.

[2] Farwell formerly known as Posen.

[3] Garland formerly known as Germantown.

[4] Giltner formerly known as Huntington.

[5] Howard City also known as Boelus.

[6] Otoe formerly known as Berlin.

[7] The original 2000 Census count was revised for Beatrice, Hickman, McCook, Ogalla, and Peru. The revised count is listed. See note 1 also.

[8] This town was not incorporated at the time of Census 2000.

[9] Lisco CDP was incorrectly named as Cisco CDP in Census 2000 publications.

[10] The 1930 Number of Inhabitants book denotes in note 40 on page 682 (table 4) that Tamora was not returned separately in 1920.

Table 8: Population of Nebraska Places by County: 2000 to 2010
